the kids have to perform in the talent show just because mean mrs green says so everyone will have to show a talent for exactly one minute in front of the whole school and their parents starring in the talent show from the black lagoon would give any kid stage fright but with a little luck this performance might just turn out to be fun

it s another scary day at the black lagoon two popular books from the bestselling black lagoon series teacher and librarian are now reissued with

fun new covers join hubie once again as he faces his comically horrific fears during his first day of school and his first trip to the school library featuring a fire breathing teacher and a library where all the books are bolted to the shelves these stories are sure to amuse and quell fears of new experiences at the same time

it's another scary day at the black lagoon for the new teacher mrs green there's a new class coming for the first day of school and mrs green is worried is it true that the class is really weird and that they put their last three teachers into early retirement will the students really turn into horrible ghouls as soon as they get to school will mrs green really need her ultimate survival kit to teach the class or tame the class

the newest book in the black lagoon series mrs beamster may be the school librarian but all the kids know her as the laminator if she catches you whispering you're laminated full color

includes part 1 number 2 books and pamphlets including serials and contributions to periodicals july december

it's another scary day at the black lagoon there's a new gym teacher transferring over from the junior high and hubie is worried the junior high students say he's big mean and blows his whistle a lot will hubie really have to run a lap around the world to pass mr green's class will he be able to lift mr green's pickup truck and climb up a rope while it's on fire hubie doesn't want to go to gym class anymore

these fun filled chapter books mix school monsters and common kid problems with hilarious results you'll scream with laughter oh no it's the class trip from the black lagoon the kids have no idea where they're going but they imagine a day full of ferocious animals maniacal monsters and scary aerial acrobatics and their teacher mean mrs green is going to quiz them on everything when the kids stop letting their imaginations run wild they soon realize that they're going to a very cool zoo but that won't change the fact that there's never a dull moment in the black lagoon

this practical handbook provides more than 30 ready to use lesson plans that connect picture books to the national language arts standards set forth by ncte and ira designed for the primary grades all lessons have been classroom tested and come with dozens of reproducible patterns and worksheets each lesson plan includes bibliographic information a description of the standards applied in the lesson skills and objectives grade level lists of props and materials costume ideas a step by step lesson description comprehension questions and follow up activities a wonderful tool for anyone who works with young students this guide will generate hours of creative exploration learning and delight grades k-3

includes entries for maps and atlases

mrs green announces a new student is joining the class and he is coming from far away immediately everyone makes their guesses about where he is from hubie has his own suspicion the new kid is from mars he thinks of the many wacky creatures the kid may just take the form of but ultimately he hopes for a buddy

starting strong shows teachers how to use four proven instructional approaches standards based evidenced based assessment based and student based to improve their teaching practice in all areas of early literacy authors katrin blamey and katherine beauchat draw on their years of experience and early literacy expertise to guide you in figuring out what to teach and how to find the most instructionally sound method to teach it they help you determine the instructional needs of your classroom and take full advantage of what you know about your students so you can engage them in learning with chapters on oral language vocabulary phonological awareness word recognition comprehension and writing skills this comprehensive book explains each skill and provides research based strategies for targeting each area supported by evidence based research and aligned to key tenets of the common core the book also includes classroom tested activities and children s literature suggestions for each area of literacy starting strong is an essential resource that any early literacy teacher or coach using a balanced literacy approach can use to build a solid foundation for their students

a one of a kind teacher shares her creative ideas for helping students get the most out of their school year illustrations

from the author and artist of the tales from the back pew series comes a perfect story for every child who is going on their first mission trip sometimes what we experience is much better than we expect in mission trip impossible our young hero is headed out on his first mission trip with the kids group expecting jungles heatwaves wild animals and cannibals he is pleasantly surprised at how rewarding spreading the good news can really be mission trip impossible part of the tales from the back pew series features full color art by popular artist jared lee kid friendly and age appropriate humor great gift idea for children ages 4 8

five comical retellings of bible stories demonstrate god s willingness to forgive over and over again

set in the wider context of the project approach to learning this book addresses the needs of both library media specialists and teachers in preschool kindergarten and primary grades educators who want to use stories and nonfiction to promote independent learning in young

children will love this book the reader will find practical hands on activities where each sample lesson includes content learning goals and strategies for teaching and assessing learning librarians and teachers will learn not only how to guide young children through the research process but also the important why to do this these developmentally appropriate research lessons are ready to teach for grades preschool through second

the outrageously funny picture books series from mike thaler and jared lee are now chapter books follow hubie on his adventures in the black lagoon where rumors can make a student create a monster of any teacher aligned to common core standards and correlated to state standards chapter books is an imprint of spotlight a division of abdo

these fun filled chapter books mix school monsters and common kid problems with hilarious results you ll scream with laughter mean mrs green says that everyone has to invent something for the school science fair but everyone would rather invent a way to get out of it hubie can t decide on what to invent and all of his friends have already started their projects it comes down to a choice between cloning himself or building a laugh machine will his innovation be enough to earn a passing grade or will mean mrs green have the last laugh

the school librarian says a book fair is coming to the school but one little boy has heard some weird things about what will happen
