che insistono al di sotto dei nostri presidi ospedalieri in relazione e in analogia a quanto già condotto in precedenza presso l'area di insediamento della basilica costantiniana intitolata al santissimo salvatore e le aree adiacenti sulle quali vennero edificate tutte le altre strutture a compimento del patriarcato sin dal IV sec d c la sopra citata volontà si è concretizzata con una apposita convenzione sottoscritta nel febbraio del 2018 che ha ritenuto di coinvolgere studiosi appartenenti a prestigiose università italiane ed internazionali i cui attori principali erano quelli che fino ad allora avevano già dato il loro massimo contributo di alto valore scientifico sia sull'area lateranense sia nell'area di competenza dell'antico ospedale. The conference came about as the expression of the desire of the Soprintendenza speciale archeologica beni artistici e del paesaggio for Rome a desire which our administration also shared to expand knowledge of the underground remains that stand below our hospital buildings in relation to and in analogy with the work already done in the past near the area where the Constantinian basilica stood which was dedicated to the most holy saviour and the adjacent areas on which were built all the other structures to complete the patriarcato ever since the 4th century ad this aforementioned desire took concrete shape with a special agreement signed up to in February 2018 which set out to involve academics from prestigious universities in Italy and abroad the main players in this agreement were the same ones who up until that time had already made their biggest contribution of high scientific value both in the lateran area and in the area pertaining to the ancient hospital itself.

This book presents a series of papers in honour of Sandro Salvatori divided into three main sections reflecting his long years of work in Middle Asia his time in Italy as an officer of the Archaeological Superintendency Ministry of Cultural Heritage and finally his studies on the prehistory of North Eastern Africa.

Covid 19 has stressed the condition of radical uncertainty that increasingly characterises our times and compels cities to learn new ways to cope with unexpected global urban challenges. The volume proposes preparedness as a key concept in urban geography planning and policy inviting international scholars to discuss its pros and cons. Firstly it builds a critical theoretical framework around the concept of preparedness in relation to the Covid 19 effects and other interconnected crises then the authors put at work and redefine preparedness starting from worldwide surveys research experiences public discourses and spatial strategies analysis in Europe and more extensively in Italy. Finally the closing section goes beyond the view of preparedness as an emergency tool proposing to interpret it more broadly as a technology supporting a sustainable urban transition. The book mainly targets academics in urban planning policy and geography however the prominence of the topic of preparedness makes the volume an essential reading not only within social sciences but further in engineering basic sciences and life science. In addition the book provides directions to practitioners and civic leaders in supporting cities and regions to prepare themselves in the face of pandemics and unpredictable socio environmental shocks.
