the perfection of freedom seeks to respond to the impoverished conventional notion of freedom through a recovery of an understanding rich with possibilities yet all but forgotten in contemporary thought this understanding developed in different but complementary ways in the german thinkers schiller schelling and hegel connects freedom not exclusively with power and possibility but rather most fundamentally with completion wholeness and actuality what is unique here is specifically the interpretation of freedom in terms of form whether it be aesthetic form schiller organic form schelling or social form hegel although

this book presents serious criticisms of the three philosophers it shows that they open up new avenues for reflection on the notion of freedom avenues that promise to overcome many of the dichotomies that continue to haunt contemporary thought for example between freedom and order freedom and nature and self and other the perfection of freedom offers not only a significantly new interpretation of schiller schelling and hegel it also proposes a modernity more organically rooted in the ancient and classical christian worlds

no detailed description available for the concept of freedom in anthropology

this volume of essays by one of the world s foremost kant scholars explores the efforts of the great enlightenment philosopher immanuel kant 1724 1804 to construct a moral philosophy based on the premise that the most fundamental value for human beings is their freedom to set their own ends

the story of the longest and most complex legal challenge to slavery in american history for over seventy years and five generations the enslaved families of prince george s county maryland filed hundreds of suits for their freedom against a powerful circle of slaveholders taking their cause all the way to the supreme court between 1787 and 1861 these lawsuits challenged the legitimacy of slavery in american law and put slavery on trial in the nation s capital piecing together evidence once dismissed in court and buried in the archives william thomas tells an intricate and intensely human story of the enslaved families the butlers queens mahoneys and others their lawyers among them a young francis scott key and the slaveholders who fought to defend slavery beginning with the jesuit priests who held some of the largest plantations in the nation and founded a college at georgetown a question of freedom asks us to reckon with the moral problem of slavery and its legacies in the present day
