The authors wrote this book to help students think like developmental psychologists. Specifically, they want students who read this book to critically examine claims about the nature and causes of development, have a clear understanding of the major issues in developmental psychology, to understand what developmental psychologists have learned about the development of memory, intelligence, attachment, and other developmental issues. Preface.

The authors believe that lifespan psychology is relevant to current career and social issues that all adults face. It is especially relevant to those who will work or live with children, adolescents, or the elderly. Their goal in writing this book is to present development at every stage of lifespan from a growth perspective. Preface. The authors wrote this new text to enable students to find themselves and the people they know in the story of lifespan development. It is a story of how we grow and change throughout our lives and of the continuities across every stage and domain of life. Back cover.

The second Canadian edition of Santrock's *Essentials of Lifespan Development* provides an approachable introduction to developmental psychology, organized chronologically. Santrock covers the essentials from all periods of the human lifespan across 13 chapters. The new second Canadian edition offers an increased focus on diversity with Indigenous content weaved throughout. Canadian research, current events, and real life examples are thoughtfully featured, ensuring the material is relevant and meaningful for learners.

this book takes a scientific approach to the study of human development by exploring the chronology of a typical lifespan through research stories the primary goal of this book is to help readers learn to be intellectually critical by reading contemporary research literature on human development and evaluating the assertions that are made each of the 32 chapters is a separate research story telling why the study was done what was done and what the results tell us about development for psychologists educators or anyone interested in human development or family studies
